BID # 16-05

RE: **Solid Waste Disposal Facility**

On Page 14 under "Disposal Fees" add the following:

- d. Tip fee provided on the bid sheet is for the first year of the contract. For subsequent contract years during the term, the tip fee shall be calculated by increasing the tip fee for the immediately preceding contract year by an amount equal to the product of the tip fee for the immediately preceding contract year multiplied by the percentage increase, if any, in the consumer price index during the twelve month period ending on August 31st of such immediately preceding contract year. The annual increase in the tip fee shall not be less than one and one-half percent (1.5%) nor more than two and one-half percent (2.5%) for any contract year. The consumer price index means the Consumer Price Index – All Urban Consumers (Series ID: CUUR0100SA0LE), not seasonably adjusted, Northeast Urban, all items less energy (Base Period: 1982-84=100), as determined by the United States Department of Labor, Bureau of Labor Statistics; provided that, in the event that the foregoing CPI index ceases to be available, the parties shall agree upon the use of a closely comparable index then available.
